

CARL SPACKLER OPEN REGISTRANT ACCEPTANCE Roster Worksheet Summary

There is a prerequisite for the Roster Worksheet. A new Roster Acceptance Process outlines its purpose.

OVERVIEW

The Roster Worksheet serves as a dynamic record of previous participants arranged according to a three-phase timeline. Within this document, you will find participant names, phase designations, and corresponding schedules. Notably, it exclusively features individuals who have participated in our most recent three Carl Spackler Open events. Those who have participated previously but are not currently listed will be included in the Roster Worksheet upon completing the registration process.

For those who come by way of referrals, it is essential to submit nominations for rookies to the Captain's Club before Phase 1, ensuring their enhanced consideration during Phase 2. As for new registrants in their first year of participation, they are slotted into the final phase, Phase 3.

The left column within the worksheet does not indicate a tally of participants on the roster; instead, it represents the count of individuals who have taken part in past events. It is important to note that an individual's placement in this order of eligibility does not necessarily indicate their intention to register, provide funding, or commit to participating in the upcoming Carl Spackler Open event.

MAXIMUM ROSTER SPACE

The Captains Club along with hotel and golf course availability determine roster space each year. This number is published within registration and inside the Roster Worksheet.

Accepted registrants who upgrade to single rooms can increase the roster maximum generally in groups of four. Additional roster spots are made available when four single hotel rooms are funded. We do not manage two hotel properties.

ANSWERS TO POSSIBLE QUESTIONS

Question: What should I select for my attendance probability during the registration process?

Answer: All registrants, including golfers indicating 25% attendance or greater, will be added to the website during their designated phase (or month). The attendance probability question during registration is your opportunity to communicate your desire to participate to everyone involved in the event.

Question: I missed the deadline. Now what?

Answer: The following document contains instructions for individuals who did not meet a deadline.

Question: What can I do to elevate myself on the Roster Worksheet?

Answer: Register, pay early, enter scorecards from golf played, and complete all participant options.

FURTHER EXPLANATION

An additional document has been published to address the needs of individuals seeking further clarification and transparency concerning the Roster Worksheet.
